Dear Marie,

Re: Section 8 Observation car parking at Staple Lane Chapel Street

I wish to state that the provision of the additional car parking spaces is very positive for the town of Carrick on Suir and would like to compliment you and your staff for this excellent initiative.

I would be grateful if you together with the planning authority would consider allowing pedestrian access to ball-alley lane or North of Chapel street to reduce the length of time it takes to access to St. Nicholas church, my dress bridal shop and other businesses located at the upper end of New Street when walking and with their cars parked with the lanes the being used as pathway safe access mode. This would assist in less mobile traffic and congestion if people found it easier to walk to these areas when the car is parked.

Thanking you most kindly.

Yours faithfully,

Robert Fitzgerald
