

St. John's Church – Graveyard Extension

Part 8 Project Description and Overview

Longford County Council
July 2023

Project Description

Proposed 160 square metre burial ground extension to the east of the existing St. John's Graveyard, Battery Road, Abbeycartron, Longford Town. The area relating to the proposed was previously granted planning permission for residential use under reference 00/700044. The proposed development relates to works to Record of Protected Structure (RPS) No. 14 and 18 of the current CDP 2021 – 2027.

- Construction works relating to the proposed burial ground site have concluded as part the Longford County Council – Active Travel: Low-Cost Permeability Scheme, Fee Court, and under archaeological testing (DAHC License No. 22E898), monitoring and Summary Report.
- A 2.5m deep, trial pit has established the absence of groundwater at depth on site.
