Name	Diarmuid Moran
Address	Friar street Thurles County Tipperary E41TP84
Note	As a trader living and working in the town, I strongly oppose the removal of parking from liberty square. The empty units on the square will double when the remaining car spaces are taken away. There needs to be a financial impact study of the town along with a trial period of at least a month on the square, specifically the single lane outside Supermacs which is proposed in the plans along with the other route proposals. In my opinion, unless there is a ring road put into this town to cater for the thousands of trucks and cars each day, this new plan will not benefit the public as it is unsafe. I firmly suggest a meeting that would be open to the public to express their concerns about these proposals.
