Liam,

Concerning the proposed changes to the roads in the Birdhill Village area, I wish to make the following observation. My main concern is about the junction between the Newport and O'Brien's Bridge roads. The traffic island in the centre of the Birdhill-Limerick road needs to be retained to allow safety for vehicles wishing to cross the road. Without the island, traffic congestion would also happen. A car waiting to cross would hold up traffic behind.

Thanking you.
