Submitter

Name	Cristina Garani
Address	3 Murgasty Cottages St Michael's Road Tipperary Town E34 KV58
Note	<p>In relation to the Hills refurbishment project, I would like to submit the below questions and recommendations: 1) the Ball Alley (located in the Pitch and Putt car park) is not mentioned and it is in a precarious state (lots of cracks on the walls, raising health and safety concerns). Will it be refurbished or not? If not, why was it excluded? 2) will there be litter bins in the park to prevent littering, and will the council ensure they are emptied regularly? 3) there are timber structures (such as fencing) in the planning. Who will maintain them and replace when rotten? 4) who will look after the general maintenance of seats, signage and green areas? 5) is there any provision for CCTV cameras to monitor vandalism and antisocial behaviour? 6) the steps/footpath going from Inver petrol station (Limerick Road) to the side of the Hills is in need of maintenance. Could this be included in the works? Thank you and kind regards.</p> <p>Cristina</p>
