Note	<p>To whom it may concern, I am writing to you in my capacity as a director of Puddin Lane Productions, who will soon be acquiring the lease of the Premier Hall and associated buildings from the Diocese of Cashel and Emlly. We are a community group who endeavour to rejuvenate the Premier Hall and associated buildings so that they can continue to provide a community space long into the future and to continue the long tradition of hosting musicals, shows, classes and various other community events. It has recently come to our attention that as part of the Part 8 Phase 2 Liberty Square Public Realm Scheme, it is proposed that the already minimal on street car park facilities may be further reduced. We would be most concerned that this project would have a detrimental effect on the potential patrons coming to events in the hall. As it stands, there is inadequate parking to facilitate the number of patrons who attend events in the Premier Hall. Many must walk a considerable distance from Liberty Square and surrounding car parks. This proposed development would have a particularly negative impact upon our elderly or infirm patrons. As a voluntary group who are endeavouring to keep this special hall alive and viable for all members of the community and beyond, we sincerely hope that the council will reconsider reducing the car parking spaces that are currently available or to perhaps provide alternative parking close by.</p> <p>Yours sincerely, Mary Egan Director Puddin Lane Productions Premier Hall Thurles</p>
