Submitter

Name	David Coleman
Address	Murgasty Tipperary Town Co Tipperary E34HH63
Note	I am making a submission on behalf of Murgasty Residents Association. We support the Hills Development. We have a number of queries: - we were led to believe that the road between the Ball Alley and the main Clanwilliam entrance, including the right of way between 7 St Michael's Terrace and 8 Murgasty Cottages, was to be upgraded. - any update about the Ball Alley renovation? - can some of the old seats, when taken out, be reused? - will bins be provided in the Hills? - are there plans to renovate the Orchard wall? Thank you.
