Note	Regarding phase 2 of Liberty Square , I completely oppose the removal of parking from Liberty Square. * This plan will not improve safety, while thousands of HGVs come through the town every day. *An assessment needs to be done of the financial impact of this plan to trade in the town centre. *The plan will not improve access for emergency vehicles. *The trial period for the single lane was too short. I want it trialed for another month and the other build outs should be trialed too. *The changes on Rossa Street will block delivery access for businesses on the street. *I oppose the planned bus stop on Rossa Street as it is unsuitable Regards Helen Lanigan DejaBrew Coffee/Unique Hair Design/Melt Dessert Parlour 15/16 Liberty Square Thurles
