Dear Sir/Madam,

I refer to the development of a new car park between Chapel Street & new lane of main street Cl-on-Suir. I welcome a new carpark. However taking car-park spaces off of the main street is a ridiculous idea.

I really need to be able to park/wear a shop.

For me and alot of parents I have spoke to

of an elderly parent whom cannot walk for, where are we put in this situation?

These developments are fine in a city that has more than one main street, but for a town like Carrick-on-Suir, we really need to maintain alot of the parking on the street for

parents and adults that need to  
park close to a business,

I respectfully  
request my concerns are noted,  
can you please acknowledge receipt  
of this observation,

yours faithfully  
Louise Wilson.
