## Submitter

Name	Tom McHugh
Address	7 The Waterfront Dromod Co. Leitrim N41YD43
Note	I wish to support this proposed pedestrian way between Dromod and Rooskey. As a frequent walkers and cyclist I feel this would be an enormous improvement to the areas, the existing road is extremely limited for use by pedestrians with narrow verges and fast moving traffic. I hope this proposal is approved and built as soon as possible. Tom McHugh
