Re. Part VIII; PT8LD15: N55 Ballymahon Main Street Improvement Works

Dear Sir/Madam,

TII confirms receipt of the above Part VIII proposal. In relation to works impacting national roads, TII acknowledges that a Design Report was undertaken by the Council, in accordance with TII Publications requirements.

In the interests of safeguarding the strategic function and safety of all road users, in accordance with the requirements of Government policy included in the National Planning Framework and Section 28 Ministerial Guidelines 'Spatial Planning and National Roads Guidelines for Planning Authorities' (DoECLG, 2012), TII recommends that the proposed Part VIII development is undertaken in accordance with the Design Report.

It is requested that the foregoing observations are taken into consideration in the assessment of the Part VIII proposal to ensure compliance with TII Publications and the safety of all road users.

Yours sincerely,

Michael McCormack
