Re: Part 8 Improved Cycle Lanes on the Cashel Road, Clonmel

As per my previous Notion of Motion (2504) regarding the provision of two lanes of traffic coming into town on the approach road (Ardgeeha hill) to the Cashel Road Roundabout on the N24.

There is significant queuing as you approach the N24 roundabout on the R688, the road widths as you approach the yield line cannot currently accommodate two lanes of traffic.

The design should incorporate two lanes of traffic on the southbound traffic lane as drivers approach the N24 roundabout to improve capacity at the roundabout.

Regards

Cllr. Pat English
