Note	to whom it may concern i wish to submit my concern on the proposed work for cycle lane on the cashel road clonmel,i am a resident of heywood drive ardgaoithe and have spoken with the majority of my neighbours on this matter,all are very concerned about this proposed development as already it is next or near impossible to exit our estate onto the cashel road because of heavy traffic,it is also in our opinion a very dangerous junction with traffic travelling at speed coming onto the cashel road from roundabout,we feel very strongly on the matter that before any work is done on cycle lanes which would make the situation worse a plan needs to be put in place to resolve the problem that is exiting our estate,we look forward to hearing from you on this matter in the hope of coming to a satisfactory resolution.
