Submitter

Name	Mary Murphy
Address	7 The Forge Raheen Cross Limerick V94 W8HN
Note	<p>I wish to object to the above proposed development. 1. A 3 to 5 storey building in this very compact site will look completely out of place in the surrounding environment. The Church, nearby apartments and houses will be dwarfed by this monstrosity and made look like postage stamps.</p> <p>2. Ballycummin Rd is a busy Rd at the best of times. Residents of Castlegrange & The Forge have difficulty at present with exiting & entering these estates. 3. Bus stop directly across the Rd from proposed building. 4. The removal of parking spaces adjacent to the church will cause mayhem at all mass, Funeral, Wedding, Communion, Confirmation and other church events.. It will force the parishioners to park illegally in the nearby estates thus causing hazards to the residents both young & old. 5. The Millennium Centre is attached to the Church. This is used weekly by the elder parishioners for activities and those parking spaces are vital to them.</p>
